Plant Parts Taco: Home Edition

Instructions: Using ingredients you find in your kitchen, make a “taco” that includes all six plant parts: root, stem, leaf, flower, fruit, and seeds. Get creative, use kitchen tools safely, and have yourself a delicious snack! Share pictures of your creations by tagging #growportland #plantparttaco on Facebook or Instagram!

Below you will find an example of a Plant Parts Taco I made at home:

Plant Part	Food	Photo
Leaf	Spinach	
Root	Radish	
Stem	Cilantro stems	

Seeds	Hummus (chickpeas)	
Fruit	Apple	
Flower	Calendula petals
